

Dear Friends,

Thank you to everyone who joined me in Macon for the 2011 State Convention. We had one of the largest turnouts ever and it was amazing to see. I believe this weekend showcased the passion and energy of our grassroots network in Georgia.

I want to extend my heartfelt congratulations to the newly-elected Bert Guy, BJ Van Gundy, John Padgett, Bob Mayzes, and Debbie McCord. I look forward to continuing to work with them.

I was humbled to be elected to a third term as your Chairman. I truly look forward to completing my vision and plan for our Party in Georgia. I also want to thank Tricia Pridemore and Shawn Hanley for their commitment to our Party. I wish them all the best and hope that they remain heavily involved as we move into 2012.

This is a time in our Party when it is critical for us to unite and move forward as one team. The time for differences is over. We have one common goal that is all-important: elect a Republican President in 2012. If we are going to defeat Barack Obama, we must do it together. We need each and every Republican on the team and fighting for the beliefs we all share.

Thank you again for this incredible honor to continue serving as your Chairman. I cannot tell you how much it means to me. I look forward to continuing to work with you as we build a lasting era of Republican leadership in Georgia.

Best,

Sue
